- East Chambers ISD historical and projected tax rates:**
- | Year    | M&O     | I&S     |
|---------|---------|---------|
| 1998/99 | \$1.470 | \$0.00  |
| 1999/00 | \$1.450 | \$0.00  |
| 2000/01 | \$1.450 | \$0.00  |
| 2001/02 | \$1.430 | \$0.00  |
| 2002/03 | \$1.430 | \$0.00  |
| 2003/04 | \$1.410 | \$0.00  |
| 2004/05 | \$1.410 | \$0.00  |
| 2005/06 | \$1.410 | \$0.00  |
| 2006/07 | \$1.290 | \$0.00  |
| 2007/08 | \$1.040 | \$0.185 |
| 2008/09 | \$1.360 | \$0.320 |
| 2009/10 | \$1.250 | \$0.210 |
| 2010/11 | \$1.225 | \$0.185 |
| 2011/12 | \$1.165 | \$0.125 |
- One of the following rates will be levied if any or both of the bond propositions pass:
- 2008/09 \$1.360\*\* (M&O = \$1.04 and I&S = \$0.320)
  - 2009/10 \$1.250\*\* (M&O = \$1.04 and I&S = \$0.210)
  - 2010/11 \$1.225\*\*\* (M&O = \$1.04 and I&S = \$0.185)
  - 2011/12 \$1.165\*\*\*\* (M&O = \$1.04 and I&S = \$0.125)

- \*Includes the new bonds if the voters approve both propositions.
- \*\*Includes the new bonds if the voters approve proposition 1 only.
- \*\*\*Includes the new bonds with state aid for both propositions.
- \*\*\*\*Includes the new bonds with state aid for proposition 1.

- The East Chambers ISD tax rate has declined 43¢ since the 1998/99 school year.**
- If approved by the voters, Proposition 1 for \$6,000,000 will require a tax rate of approximately 21¢ with a 20 year amortization. If approved by the voters, Proposition 2 for \$3,500,000 will require a tax rate of approximately 11¢ with a 25 year amortization.

#### WHAT ABOUT POTENTIAL STATE ASSISTANCE?

Under a state funding program, the district is potentially eligible for state assistance on the annual bond payment. Under the current formula for the program, the state assistance will total approximately 40% of the annual bond payment. This state assistance will occur if the Texas Legislature takes action to roll forward an existing program and if they do take this action again, it will result in a reduction of the required tax rate for the bonds. With state assistance, Proposition 1 will require a tax rate of approximately 12.5¢ and Proposition 2 will require a tax rate of approximately 6.5¢.

#### WHAT ABOUT TAXPAYERS WITH FROZEN SCHOOL TAXES?

This bond issue will not affect the taxes of anyone 65 and older or disabled with the Homestead School Tax Freeze. For these folks with a school tax freeze, their school taxes will be lower this fall as a result of the constitutional amendment approved by Texas voters in May. Their taxes will remain frozen at the lower level and will not be increased regardless of the outcome of the bond election.

#### HOW WILL THE BALLOT READ?

**Proposition 1**

FOR or AGAINST:  
"THE ISSUANCE OF \$6,000,000 OF SCHOOL BUILDING BONDS FOR THE CONSTRUCTING, RENOVATING, ACQUIRING, AND EQUIPPING SCHOOL FACILITIES IN THE DISTRICT AND THE ACQUISITION OF SITES FOR SCHOOL FACILITIES, AND THE LEVYING OF A TAX IN PAYMENT THEREOF."

**Proposition 2**

FOR or AGAINST:  
"THE ISSUANCE OF \$3,500,000 OF SCHOOL BUILDING BONDS FOR THE CONSTRUCTING, RENOVATING, AND EQUIPPING SCHOOL FACILITIES IN THE DISTRICT, TO WIT: CONSTRUCTING A NEW HIGH SCHOOL GYMNASIUM, AND THE LEVYING OF A TAX IN PAYMENT THEREOF."

#### OTHER FACTS

In addition, the bonds will be issued with a 10-year redemption feature. The redemption feature provides the district with the option to pay off all or a portion of the bonds after 10 years if there are available funds to do so. As the district has done in the past, excess revenues may be used to either repay the bonds early or reduce the I&S tax rate.

The District has grown approximately 25% since 1991 with additional programs and services.
